

Join Your **HealthLife** Patient Portal

Visit: <https://www.bchccnet.org/patient-portal>

Dear Patient,

We are pleased to offer secure online access to your medical information through our patient portal. Your patient portal allows you to **view your laboratory and radiology results, view and schedule appointments, communicate with your health care team** and more.

If you are interested in joining your patient portal, provide us with your email address when asked so we can send you an invitation to set up your secure online account.

Sign Up Now

1. Go to our website <https://www.bchccnet.org/patient-portal>
2. Click the HEALTHELIFE SELF-ENROLLMENT link
3. Enter your name, date of birth, and medical record number
4. Click Next

If you manage the health care of another person, for example your child, provide your email address to a member of our health care team by calling us at 402-367-1200.

After you complete enrollment, remember your username and password, as you will need them every time you log in.

Access From Your Mobile Device

After enrollment, you can also access the patient portal online using your mobile device or download our app from the app store. Our mobile app provides a secure online application that allows you to:

- View laboratory and radiology results and other relevant health documents
- Manage upcoming appointments
- Send secure messages to your care team
- View your medications

Connect Your Health Management Apps

You can securely connect some of the health management apps you may already use, such as fitness trackers, dietary trackers, and so on, to your health record.

If you're interested in connecting your health management apps, contact us at it@bchccnet.org. Once we receive your request, we will work with the appropriate vendors to determine if they meet the technical requirements needed to establish a secure connection and respond with more information on how to connect the app to your health record.

Need Help? For technical assistance, contact our support team at 402-367-1200.

Self-Enrollment for Butler County Health Care Center

Self-enrollment is available for Butler County Health Care Center patients who are age 13 or older who don't currently have access to Butler County Health Care Center, which is an online portal where you can view your medical information and connect with your health care team. Complete the form below to start the self-enrollment process.

If you manage the health of a patient, talk to the patient's health care provider during the next visit to receive a personal invitation to Butler County Health Care Center. Self-enrollment is not currently available to caregivers or guardians.
